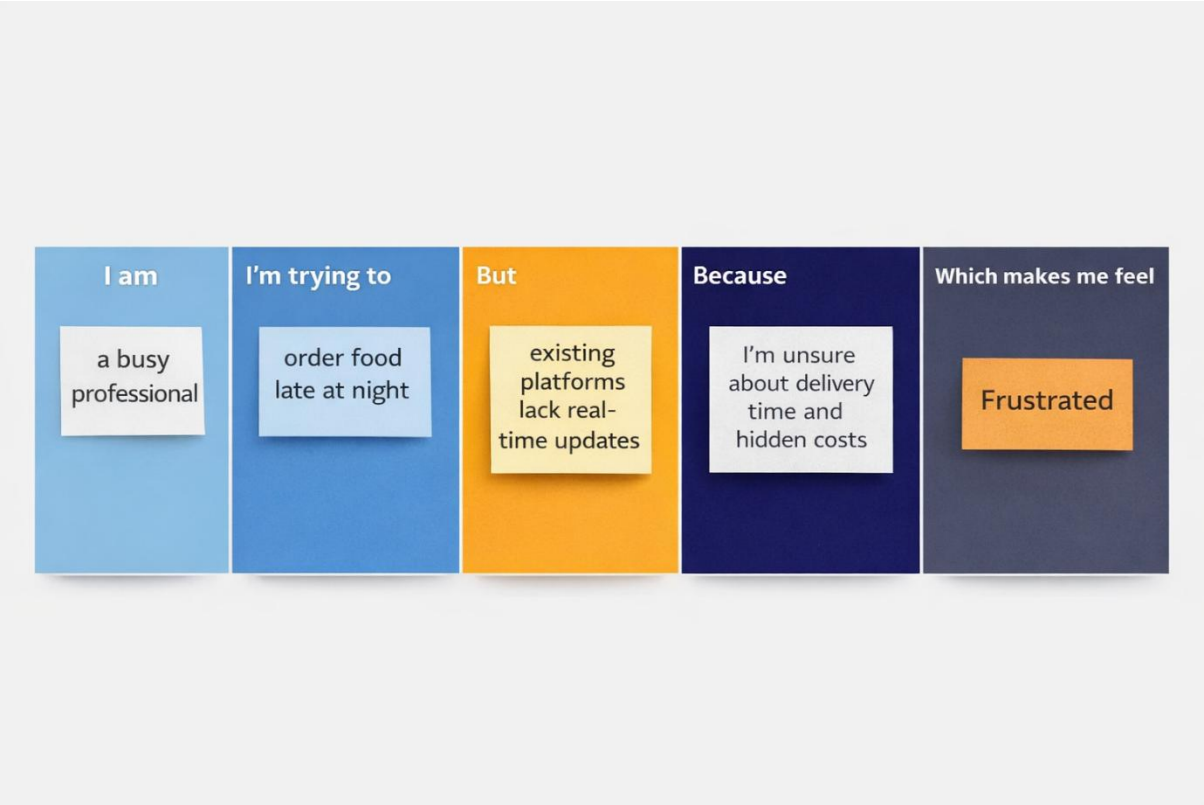
Customer Problem Statement Template:



Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A busy working professional	Order food quickly after work	I struggle to find reliable restaurants open late at night	Many platforms don't clearly show availability or delivery time	Frustrated and tired
PS-2	A hungry college student	Get affordable food delivered fast	I can't easily compare prices and delivery times	Some apps hide extra charges until checkout	Confused and disappointed
PS-3	A regular food customer	Reorder my favorite meals easily	I have to search again every time	Previous orders are not clearly saved or accessible	Annoyed and inconvenienced
PS-4	A restaurant owner	Manage my menu and orders efficiently	I don't have a simple dashboard to update items or track revenue	Existing systems are complex and not user-friendly	Overwhelmed and stressed
PS-5	A customer placing an online order	Pay securely and confidently	I worry about payment failures or fraud	Not all platforms provide clear payment verification	Anxious and uncertain
PS-6	A food delivery customer	Track my order in real time	I don't know the exact delivery status	Some systems don't update order progress properly	Impatient and worried
